JUDGE MILLER

**STIPULATION OF RECORD TO BE TRANSFERRED TO TRANSFEROR COURT**

On May 27, 2011, the Judicial Panel on Multidistrict Litigation (“JPML”) ordered that this case be remanded to its transferor court, the United States District Court for the District of Oregon. (JPML 1700 Doc. No 187.) Pursuant to JPML Rule of Procedure 10.4(a), plaintiffs and defendant FedEx Ground Package System, Inc. respectfully submit, as Exhibit A hereto, a list of the filings which the parties have agreed should constitute the record upon remand of this case to the transferor court.

While the parties have thoroughly reviewed the more than 2,500 entries in the master MDL docket, 3:05-md-527, and the individual case docket, 3:07-cv-328, to make a good-faith effort to identify all filings that are potentially applicable to this case upon remand, they stipulate that each party has the right to present any inadvertently-excluded filings to the transferor court. The parties further stipulate that the inclusion or exclusion of a particular filing in the attached list does not impact either party's ability to contest the filing's relevance to this case upon remand.

Dated: July 21, 2011.

Respectfully submitted,

By: /s/Chris A. Hollinger
